# Buenos Aires Travel Guide A Must-Do List For The Local Experience: A Guidebook Of Things To Do Before You Leave Buenos Aires, Argentina

## Synopsis

STRAIGHTFORWARD WITH NO HISTORY OR FLUFF. Guidebooks are often too long and packed with tourist traps that are tacky and overpriced. This guidebook has none of that. It will not rehash and review restaurants, bars, nightclubs, and museums. This guidebook is about life and living in Buenos Aires. It gives you a suggestion of what to do and then provides you with a few tips for how to do it. You decide where, when and if you want to do the activity. You could think of this guidebook as a punch list, a bucket list, or a check list for your experience. You can expect the suggestions in this guidebook to be simple, short and to the point. The must-do list is a list of things people who live in Buenos Aires do on a regular basis. While the list does include everyday and ordinary activities, some of the items on the must-do list will challenge you. The ideas in this guidebook might even spur you to think of other things you'd like to do in Buenos Aires. With this guidebook, you can make the most of your time in Buenos Aires with simple ideas that really give you a sense of Buenos Aires. This guidebook will give you experiences you can feel, taste, touch, see, and hear. With a few tips you will be on your way to creating the memories you want. ## Customer Reviews

This is not a primary guide book, but it has some very interesting ideas of things to do in BA. Some, like taking classes, require a longer stay than most tourists have, and some might not be to your taste (the suggestion that changing money on the black market is a must-have experience). Still, it is well written, thought provoking, and genuine. Worth the time and money.

It's often hard to find such direct information like this in travelogue type of books. I like how he spelled out how to do things in regards to transportation, etc.
