John (N. T. Wright For Everyone Bible Study Guides)

Synopsis

When you read detective stories, you quickly learn that what may look like an irrelevant little detail may actually be the clue to solving the mystery. A good writer will put in all kinds of detail; nothing is there by accident. Nothing in John's Gospel is there by accident either. And all the details in John are designed ultimately to come together. In these studies we discover the clues John gives that we might see even more clearly the reality of who Jesus is, the new creation he inaugurates and the difference that all makes.

Great guide for the Gospel of John. Makes a very deep subject simple and easy to understand. We used this for our small group and the homework was not overwhelming but it helped to facilitate great discussions.
