Bible Coloring Book: My Bible Coloring Book Edition

Synopsis

There's a better way to learn about the values the Bible teaches, and that's through coloring. When a child colors, interest is locked and secured. Information becomes "liquid" and the child becomes the sponge that absorbs it. There are so many benefits a child can harvest from this seemingly simple activity. Among these is increased knowledge and self-confidence too. Secure a copy today!

I was looking for a nice bible coloring book for my son to color while at church. Based in the cover art I thought that this book might be a decent choice. Unfortunately once I opened the book I was

sorely disappointed. This book as haphazardly put together with random illustrators. It looks like a collections of poorly illustrated pictures loosely based on the bible. There is no order to the page layout or even page orientation. Poor layout. There is a reason that nowhere on the internet are sample pages shown.
