Synopsis

An enemies-to-lovers romance from USA Today bestselling author Siobhan Davis. Standalone with an HEA and no cliff-hanger.â€¦Special pre-order priceâ€¦Brad is in love with my best friend's girl. She knows it. He knows it. Everyone knows it. Faye will never be mine, but try telling that to my stupid heart. An endless rotation of girls streams in and out of my bedroom in a desperate attempt to forget her, but nothing eases the horrid ache in my chest. Rejection isn't anything new for me, but it hasn't gotten any easier. Until she reappears in my life. Like an out-of-control tornado. Storming in, all fierce and angry, ready to steamroll everything in her path. Rachel is trouble with a capital T bundled in a gorgeous, sexy, Irish package. She pushes all the wrong buttons, and I can't decide if I want to yell at her or kiss her. I should steer clear. But I've never been very good at taking my own advice. Especially when it comes to girls I can't have and shouldn't want. Rachel I need to escape. To put as much distance between me and that monster so I can start living my life. Yet, even the vast Atlantic Ocean isn't enough to sever the connection. To allow me to forget how he's ruined me. His hold is more than just physical. He has a vise grip on my head and my heart, and I can't breathe, can't think, can't function. So, I do everything to blot it out. Until he reappears in my life. Brad McConaughey. So hot. So infuriating. So in love with my best friend. Every word out of Brad's mouth makes me want to throat punch him or kick him in the nuts. But he makes me feel, and I hate him for it. A part of me might actually love him for it. I should keep my distance, but like destructive magnets, we are drawn together. This isn't going to end well. I know it. He knows it. But we're powerless to resist. Will I enjoy this book?
