Strike Back (The Soccer Series - Book #2)

Synopsis

Don't get mad. Get even. No longer underdogs, Malcolm and the Animals are back together for another round of soccer action. But this season's rivals, the Hellhounds, are even meaner than last season. They play dirty—they kick, trip, elbow and sucker-punch. And their sneaky tricks rarely get caught. Malcolm is fed up! Coach Harris wants them to win the league finals with skill and fair play. But Nick and the new kid have a better idea—one last prank to end all pranks. Only the Hellhounds stand between the Animals and total victory. So, what will the Animals do? Play fair and lose? Or play dirty and win?

Customer Reviews

My son enjoyed this book. Hope there will be more in the series.

Malcolm and Lucy from the first book are back for another season. You don't have to read the first book to follow this one but you'll want to! Strike Back is all about payback and the team deciding whether it is best to win at all cost or to play by the rules.

I love this book cause it is cool and a really great soccer book so please read the book cause I love it
