Super Brain: Hypnosis For Memory Enhancement, Mental Clarity And Fast Learning

Synopsis

Unlock the hidden potential of your mind with this super brain hypnosis. This nine minute hypnosis is designed to help you: Develop a brilliant memory Increase mental clarity and focus Learn faster and retain what you learn This audiobook includes: Day Version: This quick version is great for daytime use when you are able to relax and close your eyes. It can be used bright and early at the start of your day, or during your off time. Night Version: This hypnosis is designed to be used during sleep. It starts with the hypnosis and gradually becomes a subliminal message - bypassing your conscious and directly reaching your subconscious wiring. Listen to this version on a low volume. It is recommended to listen to either the day or night version for at least three weeks or whenever you feel it would be beneficial for you. Advance your learning capabilities with this neuro-linguistic programming hypnosis.
