## Synopsis

Secret Teachings: A Steamy & Secret Lesbian Romance + Two Bonus Books

There wasn't a day that Karli didn't appreciate her life. It was simple, perhaps a high school art teacher in a small town that boasted barely over ten thousand people but it was pleasant and she had few complaints. She would start her morning, before the sun had finally made its journey over the horizon, make her breakfast and her needed coffee. A morning walk followed, before it was back home, showered, and off to work. She had a routine. Almost everyone who knew her, knew it. There wasn't a thing about her many people questioned, or wondered about. Her life was, like many in small towns where everyone knew everyone, laid out and open for the world to see. At least most of it. EDITION NOTE: Please note this story is an erotica adaptation of the original "Secret Teachings" by the same author.

AUTHOR'S NOTE: This is a stand-alone story with an HEA, so no cliff-hangers! This story contains explicit love scenes and is intended for 18+ readers only.
