## Customer Reviews

My 93 year old Mom said the type was nice and big and she specifically mentioned that the print was very good contrast on the pages. She said she could read it without wearing her eyeglasses. I had to explain to her what reviews are but after she understood she told me, "Then give it 5 stars, Kiddo!"

They are large print. I would prefer the solutions at the rear of the book. All things considered I do like the book and have bought it again.

Awful book! Full of made up nonsense words and at least for this grandma, many words that shouldn't be in there, especially the Lords name in vain. Definitely written by someone without a good command of the English language or with an awful grandma in their life! Would never buy another book put out by Rays Publishers. Save your money!

My mom loves these puzzles. They sure keep her occupied.

I bought this for my 80 year old mother and she's truly loving it.

Great Grandmother ...95 years old..loves to do word search...she loved this book!

Just got it. Thumbing through it looks good. I am older and eyes don't work too well, so the large print is excellent. Thank you.

I have used these bandages many times for sprained ankles and wrists. Set it and forget it.
