Since 1973, Rick has spent about four months a year exploring Europe. His mission: to empower Americans to have European trips that are fun, affordable, and culturally broadening. Rick produces a best-selling guidebook series, a public television series, and a public radio show, and organizes

small-group tours that take over 20,000 travelers to Europe annually. He does all of this with the help of a hardworking, well-traveled staff of 100 at Rick Steves Europe in Edmonds, Washington, near Seattle. When not on the road, Rick is active in his church and with advocacy groups focused on economic justice, drug policy reform, and ending hunger. To recharge, Rick plays piano, relaxes at his family cabin in the Cascade Mountains, and spends time with his partner Trish, son Andy, and daughter Jackie."

I'm going on a "Best of France" tour later this summer. This book covers almost our entire itinerary. Since the tour company is arranging all the accommodations, that part of the book proves superfluous. But it proves otherwise to be the perfect companion for our tour. It's the only tour book we're bringing along.

This book is my favorite, I like the color pages and slimmer size! Perfect to take on trip!

Very detailed information for a beginner to returning traveler. Always great spots to find

Great book. Rick and staff recommend the best spots in France for a traveler. Great tips, great history, and precise info!

Wonderful information and tidbits. I also loved the suggestion to get the audioeurope app. We used that several times on our trip to France!

We only use Rick Steve's guidebooks

Good advice

We will be using it this summer in France. We have used Rick's books in Italy, Austria, Switzerland, and Paris and they are always accurate and lead you the right way.
