Shinichirou Otsuka is the artist of the light novel series RE:Zero. Tappei Nagatsuki is the author of the light novel series RE:Zero.

Just got this today. I'm a big fan of the series and looking forward to reading it, but when I flipped through the first few pages I noticed a bit of a mistake on the character page. It lists the pink-haired twin maid as Ram, and the blue-haired twin maid as... Ram. The blue-haired one is Rem. It's a simple mistake, but the names are properly displayed in the artwork behind the text, so I don't think there's any real excuse for it. It doesn't look like they mistook the names in the rest of the text, so it's not a big deal and doesn't ruin the book or anything, but someone should pay a little more attention in the future.

What a fantastic series up to now ive ordered to the newest volume 4 of the light novels and the show is just as fantastic support the anime support this series it is worthy of praise :)!now speaking of the book itself, it has an ok feel to it yet its only standard yen press/on quality which is kinda low in the material department but still take care of the book and it wont take much wear for a year or two DO A BETTER JOB YEN ON! lol

I too noticed the mistake of Rem and Ram's name both having "Ram". Nonetheless, amazing story.

Book was bought for me son, and I believe he is enjoying it!

Re:Zero provides a gripping story with fun characters. I bought the series because I enjoyed the anime, and the light novels go into greater detail than the anime. The only qualm I have is that at times the story moves rather sluggishly, leaving the reader in a "get on with it" sort of mood. Good story, good art, can't wait for the next volume.

Another fantastic volume. Hope we keep getting more of these translated and sold state side cause I'll buy each one.

Got it came in early wasn't expecting that thankyou love how it's written story is awesome rem is best girl

Gah. The only sad thing is I read it to fast! Fell in love with the anime. The novles are even better.
