Customer Reviews

No photos of the finished items so I don't know what each project is when finished. The patterns are well written. I did not check but what terms are used in the patterns? UK or American?

Lots of easy fun projects to crochet easy to follow directions. Filled with projects for the young to the older especially impressed with the pattern for cancer patients beanie

Just too basic. Nothing out of the ordinary. Glad I did not have to pay for it. The turtle is the only great pattern .

I probably could have figured out how to crochet a turtle myself. But free is okay and if your a beginner it just might work for you!

It's ok, you don't have to pay for this though, you can just go to their YouTube channel and they have all of the tutorials for free <https://www.youtube.com/user/crocheteveryafter/videos>. I wish I knew this before I purchased it.

I like some of the patterns, but most are available free on Ravelry.com. I haven't checked yet to see if all are.

Nice

Good patterns, easy to view and use. Very creative and instructions are clear and accurate.
