Customer Reviews

Purchased two years ago for wife. She likes it and still carries it around in her bag.

great information love it

good tips and is wipeable

Very handy as a review.

Helped me prepare for the test. I give this product 5 stars because I passed the exam with flying colors.

Great refresher at a glance for me. It has been since 1985 that I finished PMT school in the Air Force

and I have not done any sticking since 1989. Must have for your med bug out bag.

Fast arrival, product was as described!

This has some incredibly awesome information in one nice neat fold out package! Anyone who is interested in the phlebotomy portion of the medical field - this is for you!
