## Customer Reviews

I am glad they made a calendar for 2018. None of the pictures were particularly new to me as I have seen them all before but they are printed well and it is made out of a good quality paper. I got this as a gift for my wife, the super-fan in the family and she is quite pleased by it.

Can't wait for 2018!

Great calendar.

Calendar is fine, but it has arrived damaged twice. It is obvious the damage was done at the manufacturing plant and then shrink wrapped. I am very disappointed. Not worth the time or effort to return, but will not be purchasing again!
