*Are you planning to travel to Thailand soon, or would you like to someday? In that case, you've come to the right place! It's such a good idea to prepare yourself before leaving. Aren't you excited? Most likely than not, you are! Maybe you have already formed a vague idea of what the travel experience will imply, and maybe it feels a bit overwhelming. You see, when it comes to travelling we are ALL in the same game, and yet most people don't realize it. Most people don't even take the time to prepare themselves in advance, and just wish for the best once they have arrived! Most people aren't aware of some of the most amazing places Thailand can offer... And it'd be such a pity to miss them! That's precisely why we need the RIGHT travel guide first. There's no point in going from here to there without a proper guide. I admit it: I used to travel like that a long time ago. It took me time to create the mindset of an experienced traveller. It took lots of time to incorporate the tips and hacks that ended up shaping the way I travel! And now, I'm willing to share those secrets with you! I wrote this book specifically thinking in you: the tourist, the traveller, the free spirit who dares to go beyond the limits of their own country. I wrote this book to show you how you can have an absolutely amazing experience while you are in Thailand. I will tell you where you should go, eat, sleep, and of course, party! You see, I may not know you, but I know something about you: both you and me are alike. We like to prepare ourselves. We like to incorporate solid knowledge before we dive in. And I know you won't just settle for average travel guides! I know you are looking for something better; something that will truly help you down the road: a book with real life tips, recommendations, useful travel hacks and data... everything you may need in your trip. And guess what? You've just found what you were looking for! Hey, I'm not saying this will be an absolute walk in the park. You've got to trust me throughout the pages. With these tips, rest assured that you'll have a blast in Thailand! I'm a modern person. I'm aware of the world we live in, and I don't want to waste your time. So, don't worry! I've got you covered. We'll go through EVERYTHING you need to know for your trip, and we will APPLY all this knowledge using down to earth guidelines. Because that's what's all about, isn't it? It's about living life like practical people. Going straight for the good part, providing practical tips, never losing the focus on what's really important and useful. My goal is simple. I will help you prepare your trip to Thailand, transforming it into absolutely amazing experience. I will help you simplify your path, showing you exactly where the best places are. Customer Reviews

This is a terrible travelers guidebook to Thailand. There are no pictures or maps and has minimal information. Bangkok has one page of worthless information. It is written like a high school research paper. Will need to get another one as this is useless. Not sure why there are such good reviews

Not enough detailed information for my needs. Seems geared more toward the young/casual traveler.

never been to Thailand, but getting ready to go.

Absolutely worthless. I looked for a hotel recommendation in Bangkok, There are about 2 paragraphs telling you that you can get a budget room for 500 - 1500 Baht or you can spend more for a deluxe hotel. So much for where to sleep. Where to eat is just as bad. Street food is readily available, including deep fried bugs. Thai food or vegetarian are also widely available. If you want Chinese go to Yaowarat. and for Indian try the Indian neighborhood. Pahurat. How do you return a Kindle book?

This book will be an ideal purchase for you if you are looking of going Thailand in the near future because this book contains a whole host of time saving and pleasurable things you can do in Thailand that you might not be aware of. In a matter of hours, you can be fully prepared for your journey to Thailand, saving you time and money. Don't miss this book!!!
