UPDATE: My sister sent me a few pictures since I had gifted her this coloring book & didnt get to

see what was inside. I'm enclosing the pictures that are SO much better than I had imagined. Really nice coloring book. I gifted this coloring book to my sister across the miles whom I call The Cat Lady! She LOVES all her cats and everyone else's. She will feed the strays, find them home's, even supply food etc for someone to give a stray a home. Although the advertisement didn't show the inside pictures, I took a chance and ordered. My sister was pleased and said YES there are some good Cat Designs to color. I will ask her for a picture of a page or two and update my review as I too am curious to see the inside pictures!

This book is crazy. I will be busy for weeks coloring...Great price and shipping. I'll be back when finished.

I love books with plenty of detailed areas and this fits the bill perfectly.

A FRIEND GAVE ME MY FIRST CAT COLORING BOOK AND I AM NOW TOTALLY ADDICTED.
YOU DON'T HAVE TO ENJOY COLORING TO BE THOROUGHLY ENGROSSED ONCE YOU
START.

This was the perfect gift for an adult who likes to color & lov s cats!

Gave to my granddaughter

Smaller book than I thought it would be. Designs are mostly nice, but some have thicker lines than I like. Other than that, its a great way to kill some time or blow off some stress.

gift for mom
