Customer Reviews

This is the first time we have been disappointed with a Lonely Planet Guide. Some of the recommendations were not good. It is highly unlikely we will purchase another Lonely Planet Guide

Lonely Planet never disappoints!

i loved prague and exploring all the neighborhoods, with lots of useful info in a book small enough to tuck into my handbag and big enough to read!

Just enough information to get a feeling for the city, but not too much to ruin the surprise.

good guide-easy to pack

Love lonely planet guide books!

Just as advertised. Nice product and sale and shipping went smoothly.

very helpful
