All About Romeo

Synopsis

“This is all about Romeo,” he said. “I want to be the guy of your dreams, Aven. Me. Stupid, Aaron Loving, who a week ago you couldn’t stand, and who today, right now, you want to kiss you blind. When you decide that’s who I am, that I’m good enough, I’ll be right here, waiting.” Locked in the closet with Mr. Irritating, the last thing Aven Modell thought would happen was the kiss of the century. But she was wrong. Aaron Loving might be annoying, but locking lips with him was something she’d never forget. Unfortunately, neither would he. Yet the Aaron who asks for math help isn’t the same guy she knows at school, and her heart is not as certain as she thought. It could be where love is concerned that she has something important to learn. A novella of 19,000 words.

Customer Reviews

It all started with Seven Minutes in Heaven. Aven Modell had to kiss him--the most annoying, rich, stuck-up boy in the universe, Aaron Loving. After Aaron kissed Aven, he really does like her. He

tries everything to get Aven's attention but nothing seems to work. Not until, the school's jock, Logan, asks Aven out. Now Aaron is more than determined to get Aven to notice him before their date on Friday, and the only way to do that is to ask for math help. Will Aaron get the girl of his dreams, or will Logan swoop her off her feet? This book was super short but had many emotions. Aaron is stuck-up and always talks about himself but there's a reason behind this; one so deep and true in life. But, I love Aaron. He's really sweet and what he did...was just...beautiful. Then there's Aven. Aven is a pretty & smart girl who hates Aaron but once she begins tutoring him, she sees him as a nice guy. However, when she sees him at school she tries to avoid him at all cost because what will that look like in school? Dating a stuck-up guy who most hate? Aven was scared to admit something she thought she couldn't feel but once she did, everything started coming together. The one thing I liked was that Suzanne (once again) mentioned saving sex for marriage and that men shouldn't pray to get the girl but to be the man they should be and I thought that was just great (no the book is not religious)! There are a lot of topics addressed in this story; love, bullying & peer-pressure, and Suzanne managed to put them all together in this one short novel. It had 6 chapters, 6 interesting, anxiety-filled chapters that kept me wanting more. This story turned out to be my favorite story by Suzanne and I hope, someday, to find my very own Aaron Loving. Excellent story Suzanne!

As usual Suzanne Williams writes a fast read romance that you can learn from. They are safe to let your teen daughter read. Thanks Suzanne

I admit that I am not normally a fan of this author but I enjoyed this book. It was sweet, simple and innocent. It was also very short so I was able to read it in an evening. It was a good book to pass the time with.

clean, but kind of short

There is so much that teenagers can take from this book! Be yourself, be honest, being mean will come back to get you and more. I would love to see this book on the teen reading list for 8th and 9th graders; maybe we would have less hate going on at the high school level. Highly recommended for teens of all ages and adults that want a look into high school life these days. I was given a copy of this book for my honest review. I am so glad I did not miss it!

This book should be on the required reading list for high school. It tells a story about how cruel people can be to others and how it affects all of them. It is a great story. I highly recommend this book for parents and teenagers. Another great book with a lesson.

This is a sweet, clean romance. It is a perfect little pick-me-up for a rainy (or snowy) day. Definitely recommended.
