# ~ Choice Guide To York, UK™, A 2017 Great Britain Travel Guidebook (Choice Guides To Yorkshire)

## Synopsis

York has so many great historic sights that you won't have time to see them all. This detailed guidebook tells you enough about each of York's attractions for you to choose which best will suit your tastes. The author lives in York and supplies uniquely up-to-date, eye-witness accounts. The book is regularly updated concerning new attractions, festivals or the latest temporary exhibitions at York's museums. Contents include:

- Information on all the fine old buildings which are open to visitors, including restaurants, cafés and pubs in historic buildings, plus the famous old streets.
- Detailed, read-as-you-walk-round, guides to York's cathedral and the City Walls. These point out entertaining features, which otherwise you'd miss, and add quirky historical anecdotes.
- Eleven very different museums are described, including two just outside York.
- Dates and descriptions for York's best festivals.
- Walks on York's green outer fringes and a bus trip to a stately home in nearby countryside.
- Guidance on York's on-line system for choosing and booking hotels.
- Advice on reducing admission costs and about good times and not-so-good times for visiting York.
- Ready-made day visit programme for any visitors too busy to choose for themselves.

For each entry, a postcode is provided for Smart Phone / GPS navigation, while the same map reference fits both this book's small street maps and the standard tourist map of York. Thanks to local authorship and frequent updating, this book includes York's newest attractions like the chocolate industry heritage centre, the Great Yorkshire Fringe comedy festival and the new German Christmas shop in Stonegate. And 2017's new, improved Jorvik Viking Centre now it has reopened following flood damage. Instructions are included for how to obtain free updates of the book from , so you'll always have the latest information on York.

**EXPANDED VERSION OF THIS BOOK** The full text of the Choice Guide to York is also available within a much larger Kindle book, Choice Visits in Yorkshire and York. This also includes very many day trips from York to the Yorkshire Dales, Moors, Wolds and Coast, plus extra background information on history, culture, festivals and seasonal Yorkshire events, which may particularly benefit overseas visitors. If you are coming from overseas or are visiting York for more than a couple of days, it makes sense to view the large free sample of the expanded book on:

## Customer Reviews

This is a good book if you are interested in visiting York. There is a lot of useful information in it, things you may want to know about before traveling to the city.

I downloaded this on my Kindle while traveling in the UK. This book was easy to use, up to date on it's information, and very informative about sights to see etc. I would recommend it very highly if you plan to visit York (and I would recommend you visit York as well!).

An excellent guide book to this great historic city.

Very helpful and entertaining

A good book to begin with when planning a trip to York in the UK. However, it is not a detailed travel book.
