Average Customer Review: 3.5 out of 5 stars 2 customer reviews

Best Sellers Rank: #814,903 in Books (See Top 100 in Books) #110 in [Books > Travel > Specialty Travel > Solo Travel](#) #1978 in [Books > Travel > Reference > General](#)

Customer Reviews

"A comprehensive guide for anyone contemplating a solo vacation."--New York magazine

"A comprehensive guide for anyone contemplating a solo vacation."--New York magazine
"For a complete resource guide, nothing equal[s] Traveling Solo." --New Choices magazine
--This text refers to an out of print or unavailable edition of this title.

I have the fifth edition of this book. That edition is divided into two parts. The first is "Great Group Vacations for Single Travelers", and the second is "Solo Travel Know-How". The first section lists vacations where a single person would feel comfortable. The author includes contact info. for each listing, including websites. I was interested in several of the art instruction vacations, and went to the websites given in the book to find out more about each program. This book is a good overview of many different types of vacations where singles are common or would feel comfortable. Since most of the programs listed are not exclusively for singles, couples could also use the book to find a ranch vacation or cooking vacation, for example. The author has also included info. specific to

seniors, single parents, and single women travelers. If you are researching vacations, this book is a good source of information & inspiration.

Although I consider myself a seasoned female traveller, this guidebook was inspirational. Instead of confining myself to just one or two continents, I now have some great, do-able ideas for wider exploration.
