## Customer Reviews

Interactive Reader and Study Guide helps students get ready to read with a chapter opener activity, take notes while reading chapter summaries, practice skills with an activity, and assess their understanding of content with a review activity.

very good

helpful. my sister, Very well. I have bought several Bread products recently as I have started to make homemade bread. This product was reasonably priced and does an excellent job slicing our bread thick or thin. A buyer should not be fearful that this product is below par - very good product at a good price! Don't be afraid, just order the product and enjoy your bread. excellent.
