Customer Reviews

As described, new book, new condition. Needed it for class I was taking. Fast shipping

This is truly helping me to understand the purchasing aspect of the hospitality industry. I would

definitely recommend for someone who is trying to move up within the hospitality industry.

Exactly as described. A perfect rental for school

Well written but some of the terminology and wording could be done better. Never heard a 1 pound stick of butter being called a print before this book so that's something I think they should look into.

Great product young children

GOOD BOOK FOR SCHOOL

Excited I could get this for my kindle and not have to carry that big book around. I wish more of my school books were on the kindle.

I am a student [while I have a career and family]. Prompt service is the MOST important thing to me... then the condition. Both were great. I would order again and refer to everyone.
