Customer Reviews

Vaughan Williams has come to be regarded as one of the finest British composers of the 20th century. He has a particularly wide-ranging catalogue of works, including choral works, symphonies, concerti, and opera. His searching and visionary imagination, combined with a flexibility in writing for all levels of music-making, has meant that his music is as popular today as it ever has been.

It's fine for my purposes, but since the full score is the same size as the piano/vocal, it is a lot more difficult to read with the orchestration included.

I was expecting the FULL conductors score, NOT A STUDY SCORE. It was Very disappointing especially for \$65.00 US, as now I must purchase a full conductors score. Dennis Houser
