These are fun and challenging. As an inveterate crostick fiend, I don't like puzzles that are too easy. These are challenging enough without being ridiculous. I want to get vol. 1 now.

Good puzzles.

Challenging and engrossing - one of the best acrostic books ever.

I love Cynthia Morris's themed Crostick. They are challenging and fun.

I'm so addicted to these puzzles

Best acrostics EVER!

same for this volume.

It seems ok. I like my crostick a bit more difficult than these, but these are ok. I am just happy to get the book. I can't seem to find them any more in the book stores.
