YESSSS!! So many incredible women included, very diverse. Cover is not normal flimsy cover, feels much more like a nice paperback book. Delighted to own and gift this :-)

Boss Babes- does more even need to be said? If you love coloring and you are a Boss Babe or you love Boss Babes, you need this!

My daughter wanted this and so she got it! Girls Rule!

Fun book! I love the illustrations and the content

Ok, so this is ADORABLE-- seriously, it's so cute! I like the diverse options of boss babes in the book, ranging everywhere from Malala to Martha Stewart. The only thing I'd note is that it's not as big as I expected, which actually makes it a lot easier to gift, so I'm fine with it! A great gift for your nasty women friends :)

This book is so inclusive! Every badass woman is in it!! I will probably buy some as gifts!

I bought several of these activity books as gifts for friends. I just love that this exists.

Gorgeous work and cute activities from a brilliantly talented artist, I love it. Some awesome surprise Boss Babes too!
