Customer Reviews

"This is one cold-bloodied love story percolating dangerously under the dark cloud of

Jamaica's rabid homophobia."-Stanley Bennett

Clay, Author, Actor, Director, Playwright "This is yet another work of great beauty, energy and bravery, told in a luminous fashion."- Grady Harp, Hall of Fame, Top 100 Reviewer, Vine Voice "Engaging and well delivered, author J. S. Lewis has set the stage for what is sure to be a fascinating series."- Cyrus Webb, Top 500 Reviewer, Vine Voice, Radio Personality "A great read that is as captivating as it is entertaining." - Dennis Waller, Top 500 Reviewer "This is not your original romance story. It touched me deeply. I hope readers give it a chance like I did. Thank you J. S. Lewis for writing this book. I wish you all the success in the world."- Joanne Swinney, Blogger, Jo&IsaLoveBooks "This is one cold-blooded love story percolating dangerously under the dark cloud of Jamaica's rabid homophobia."-Stanley Bennett Clay, Author, Actor, Playwright "Mr. Lewis does a good job in taking his readers from point A to point B. He is also very good at his overt sensual/sexual descriptive. I look forward to seeing what he will bring the world next."-J. L. Whitehead, Author, Journalist

Love always win.

The very handsome Jamaican author J. S. Lewis is very rapidly becoming a notable figure on the stage of new literature. His magnanimous personality flows not only through his Internet postings but also through the pages of his books. One of the first things new readers to his output (and admittedly this reviewer is one of those) are immediately drawn to is the magnetic flow of his line of developing characters and involving issues and historical references. Seamlessly he takes us on a journey - one that lasts far beyond finishing his book, so indelible are the characters he molds. He steps onto the stage of new writers with honesty, talent and aplomb. As we are learning from JS Lewis he brings honesty into his novels with a compelling force. In the Preface to this richly written book he sets his stage well: "It wasn't easy being young and gay, it was even worse being both in Jamaica. It seems though; I was marked for death and destruction from the moment I was born to die. It seemed oddly inevitable even though it came to this, that I wasn't sure if I had regrets because I loved him too much. Though, if I had listen to my inner self and backed off when it warned me I wouldn't be facing this unfortunate predicament but like any other typical young gay guy, I was magnetically attracted to straight guys and it was such attractions that tend to frequently cause the demise of many of us yet the immensely strong feelings that churned inside us for them, wasn't easily suppressed. I looked around me and my

heart raced, it was about to fail me at any minute now, with grim expressions my adversaries, my haters, the bashers began advancing towards me with knives, steel, iron and sledge hammer in hand. At this point, tears came flooding my eyes. I was horrified. There was no escape. I would be killed because we were in love, Dre and I. Dre, my soul mate, the sexy Jamaican-American thug whose uncle was the community Don who ordered my death when he heard I was involved with his straight nephew. Biggs was one of those no-nonsense Jamaican dons who enforced their morals, laws and orders with torture, bashing, blood and death. Those found in violation didn't normally live to tell the tale. The exceptionally handsome 19-year-old Jevaughn is gay and falls in love with Dre, his hunky neighbor - a 23-year-old American thug who has transported his residence from Harlem to Jevaughn similar neighborhood in Jamaica. Dre's action requires intervention and Jevaughn protects him, an act that is returned and a camaraderie formed. But the degree of crime grows and crushes the innocent Jevaughn and despite atrocious suffering Jevaughn grows into more of a man than those who degrade him. This is a yet another work of great beauty, energy, and bravery told in a luminous fashion by the exciting new author, JS Lewis. And the world is beginning to notice him seriously. Grady Harp, January 15

Love can be a temporary madness. That is what we are reminded of by Jevaughn, the main narrator in author J. S. Lew's book JAMAICAN AMERICAN THUG DRAMA. The story allows us to see not just what it's like to wrestle with who you are and acceptance as well as finding yourself in love with someone who is supposed to be off limits. There's a lot about this book to love. One is the journey that young Jevaughn goes through as he struggles to find peace in a society that is built on hate---even spilling into his own home. When he finds himself in love with his neighbor there are deadly consequences for this desire. Will love cause him to risk it all or will he choose a safer path? Those are just some of the questions the reader will have, and you'll see it unfold in book one of this series. There is another side of this book that I really enjoyed, and that was the reminder that all actions have consequences, and sometimes you hurt individuals that don't deserve to be hurt. One such individual in the book is Crissy. I thought it was interesting how the author allows us to know what she felt after being betrayed. Does love make such a betrayal right, or does it reveal that some will do whatever they feel necessary to have what they want? Again, great questions that you'll ponder long after finishing the book. Engaging and well delivered, author J. S. Lewis has set the stage for what is sure to be a fascinating series.

J.S. Lewis has emerged as one of the industry's most skilled and prolific story tellers. This is by far

one of the most haunting, suspenseful, and amazing reads I have read. It takes you inside the world of Jevaughn Wilson who has been abused, taken advantage of, and disowned. A young man's quest to find his freedom, express his love, and to find his place in the world make this an edge of the seat reading experience. Mr. Lewis has the story telling ability of someone twice his age. The book read like poetry and I was transfixed by his word play and flow. I highly recommend this book to anyone who enjoys a good story with strong and well written characters. Good work Jay!

reading this novel brought tears to my eyes, finally someone was willing to show how gays are treated in Jamaica but the public and also my ur own blood. the sad part is that its still going on and its getting worse someone is now will to show how homophobic the country is, I wish thIS book would help to and change the way our nation view ON the life of gays, it has open the door of gay Jamaicans to the world and show what are the consequences and risk that face for been gay. I really hope this book will help to make a turning point in our country views of homosexuals and for once and for all accept changes for the first time. i hope this book help gays to get the rights they deserved to be free in our country.

I did enjoy reading this book, I wish I could say I loved it, (well, maybe a little), but felt that the book was a bit rush, I wish Mr. Lewis develops the characters more, specially when it came to Jevaughn and Dre relationship..But still I enjoy reading it, especially Jevaughn character, my heart when out to him, I felt his pain..Jevaughn is this beautiful gay man who heart is full of love and pain, who was abuse since he was a child by his mother, horrible human being, who mentally and emotionally, physically abuse her son. But still Jevaughn loved his mom. This story is about Jevaughn who felt in love with an American thug name Dre, who uncle is a ruthless crime boss and because of the love between Jevaughn and Dre, the prejudice racists, the act of discrimination and unrestrained violence and jealousy that Jevaughn suffer in the hands of thugs, with the worst gay bashing, that left me in tears...So I guess, I really loved this book, even thou it broke my heart when it came to Jevaughn...I do recommend this book to my friends..Congratulations to Mr.Lewis for another amazing book.
