#### **Customer Reviews**

Fans of the first two installments of CJ Anaya $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a} \neg \tilde{A}$   $\hat{a}_{\mu}\phi$ s Healer Series will not be disappointed with the third installment. The Grass Cutter Sword. Anaya $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a} - \tilde{A}$   $\hat{a}_{,,\phi}$  work just keeps getting better, and the stakes continue to rise in this fast paced, intense, romantic adventure. Book three begins with our heroine, Hope still reliving her past as the prophesied healer and Japanese princess Mikomi. Mikomi comes into her own in this novel, transforming from the meek and mild princess we first met in book two to a fearsome samurai warrior giving aid to the rebel army trying to overthrow her tyrannical and sadistic father, the emperor. In this installment Mikomi risks her life for the rebel cause, battles her inner demons, finds true love, discovers a flaw in the prophecy, fights, loves, laughs, and cries. We are taken on such a fun ride with Mikomi as we learn secrets of the past that will change the course of Hope $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a} - \tilde{A} \hat{a}_{,,\phi}$  future. What more could you want?! I thoroughly enjoyed this book and Anava $\tilde{A}f\hat{A}c\tilde{A}$   $\hat{a} \neg \tilde{A}$   $\hat{a}_{,,c}cs$  guick wit and humor once again make this book shine. For those of you who can $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a} - \tilde{A}$   $\hat{a}_{,,\phi}$ t wait to get back to the present day to see what is happening with our beloved characters from the first book of the series (Hope, Tie, Victor, Angie, Kirby, James, and Chinatsu) and the fate of our modern day world, your time has come! The Epilogue (SMALL SPOILER ALERT) brings us back to present day. Hope is now armed with the memories of her previous life, knowledge only she has about the prophecy, and information about our other favorite characters who are more than they appear to be. The flash forward could have been jarring, but Anaya writes it seamlessly allowing us to easily flow back to the present and bask in Angie $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a} \neg \tilde{A}$   $\hat{a}_{\mu}\phi$ s loyalty and hilarity, Tie $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a} \neg \tilde{A}$   $\hat{a}_{\mu}\phi$ s dreamy eyes, VictorÃf¢Ã ⠬à â,¢s strength and determination, and KirbyÃf¢Ã ⠬à â,¢s innocent enthusiasm. The trials of Mikomi $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a} \neg \tilde{A} \hat{a}_{\mu}\phi$ s past are now behind us and Hope is back, armed and ready to confront the dangers before her and get to the bottom of the ancient prophecy. There is only one more installment in Anava $\tilde{A}f\hat{A}c\tilde{A}$   $\hat{a} - \tilde{A} \hat{a}_{\mu}cs$  Healer series and book three is filled with information vital to the story, setting up the overall plot arch while also being full of suspense, drama, adventure, and fun. The Grass Cutter Sword perfectly sets up the final installment and will leave readers in happy anticipation for the last book.

This series has everything. It  $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a}$   $\neg\tilde{A}$   $\hat{a}_{,,\phi}$ s got history, fantasy, magic, curses, Asian mythology, fast paced action, and best of all a centuries-simmering romance between star-crossed

lovers. Mikomi and Musubi $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a} \neg \tilde{A}$   $\hat{a}_{,,\phi}cs$  romantic tension is strung so tightly I found myself holding my breath for them.Of all the three Healer books  $I\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a} \neg \tilde{A}$   $\hat{a}_{,,\phi}cve$  read so far, this one captivated me the most; however, the ending of this installment (which I won $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a} \neg \tilde{A}$   $\hat{a}_{,,\phi}ct$ spoil) made me want to go back and savor all of them again. Anaya has done such an incredible job of weaving all three plotlines together even though they time-jump, that I can $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a} \neg \tilde{A}$   $\hat{a}_{,,\phi}ct$  wait to see what the next book holds. This series is pure energy, and I also love that it $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a} \neg \tilde{A}$   $\hat{a}_{,,\phi}cs$ a clean read. Highly recommended for fantasy and romance readers. I $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a} \neg \tilde{A}$   $\hat{a}_{,,\phi}cm$  giving my hard copy of book one to my teen daughter so she can get started on them.

The third book of the series did not disappoint, I couldn't put the book down. The Grass Cutter Sword continues where Black Blossom left off seeing Mikomi becoming a force to be reckoned with, in her fight for the people she loves and discovering more about herself and her destiny. This book had many swoon-worthy romance scenes and fast paced action scenes keeping you glued to the story, with not wanting the story to end but also getting impatient to see what happens next. Its a story of love, friendship and fighting for what you believe in with wonderful characters. I cant wait for the next book- wish it would come sooner!

Once again, it isn't often I find a series that keeps me entertained for more than one book, but the Healer series has kept me enthralled for three consecutive installments! I'm upset I finished the third most this before the next one is due to release. The Grass Cutter Sword was a continuation of The Black Cherry Blossoms tale of Hope's previous life. We were able to learn of what exactly happened between her, Victor, and Tie and what events led to her death and eventual rebirth. I highly recommend this next installment of the Healer series and can't wait for the next one!

It ended! This was an amazing 3rd book! I can honestly say I was extremely upset when it ended! I can't wait for the 4th book!! This was the best book of the series thus far.C.J.Anaya is an amazing author, she pulls you right in from the beginning and makes it so you can't put the book down!

I was so quickly pulled into this story that 3 books passed by before I knew it was happening!!! How will I yearn the next 6 months waiting for book 4. The intertwining of lives was genius. Past present and the now dancing together. The characters were easy to like . the history and prophecy storyline was gripping not to mention the thread of love right the way through. Beautiful insights given. Bravo Madam Anaya I will not quickly forget your name. Waiting patiently for book 4. Thank you for a

beautiful story.

I truly enjoyed reading this book. I read a lot of juvenile fiction, and I found the concept and setting novel. It kept my interest piqued. It was easy to pick up the story line from the first and second book without much backtracking and I could hardly put it down until I'd read the whole thing from start from finish. I found the storyline novel and hard to predict (which is something I can usually do with other books). I hope CJ Anaya will soon give us more exciting reading to enjoy!

This third installment of the Healer series is another wonderful story following Hope's previous life as Princess Mikomi. The danger gets more intense and things heat up even more between Musubi and Mikomi. I loved also learning more about Katsu and Musubi and what is driving them. You will be hooked on this and won't be able to sleep until you read the last page. I can't wait for the next installment to see what happens to these characters I have come to love!!
