Customer Reviews

I love these Quick Study guides! My daughter has the French set, my husband has the German set and I have the Italian set. One day we would like to take a trip to Switzerland and we will be ready to speak whatever language we encounter. They are easy to use and fun and you can put together sentences right away.

Nice compilation of information. I wish they had 3-hole punched them though.

Hard to read

good

Great material! Thanks!

I use this when I am doing the Pimsleur Italian CD's and it is a very helpful to continue the process

that I am learning with the CD's. It isn't necessary but I have enjoyed the increased information at the tips of my fingers.

I am very happy with this laminated card along with three others that I purchased. They arrived clean, new, and in a protective box. I refer to them often as I study.

No surprises here. Factual information on a laminated fold up piece of cardboard - seems strong enough to survive being taken in and out of my briefcase.
