Walking As Jesus Walked: Making Disciples The Way Jesus Did

Synopsis

Jesus must be our model for ministry. Sounds obvious, right? Or is it? Jesus, in all His humanity (and all His divinity) shows us the best possible way to live. Through the way He lived, He modeled the priorities of how to multiply as much fruit as possible. Following Jesus' example, His disciples then changed the course of history. How then can we follow Jesus' example? We must study His life. How did Jesus pray? In what types of relationships did He invest? Where were His priorities? Can my priorities be His priorities? Can I walk like He walked? What we do with Jesus MATTERS. Global ministry trainer Dann Spader practically and helpfully walks us through 10 weeks of exciting, ministry-altering study to really begin to walk as Jesus walked.

Excellent resource for anyone wanting to increase the effectiveness of making disciples who make disciples. Spader doesn't use gimmicks to increase interest; he simply looks at what Jesus did with his disciples looking beyond message by developing method, mission and ministry of the Master Teacher, Jesus Christ. I am using this for those in the process of recovering from addictions and the results have been amazing. There are two guys who are very excited to find two other guys each and form their own small group using this material. That's what making disciples is all about!

Amazing study highly recommend to those wanting more. even good to work on and read alone but better with others. Great

Havent read it, but I have heard great reviews at my church.

We are doing a study on this in our church, it is an awesome study we highly recommend it.

This material is one of the best documents I have used in the study of Jesus life. Dr. Spader does an excellent job of putting together biblical references regarding Jesus' life. Truly a great source for going deeper into the understanding of Jesus mission on this earth.

Walking As Jesus Walked is a great book that challenges the way we think about making disciples. It causes you to look deeper at your own life and you can walk as Jesus walked. A must read for any person, small group, or church.

Spader leads an in-depth study on the Holy Spirit, and how the Spirit, if we allow it to, enables us to walk as Jesus did. Using scripture he shows us that Jesus wasn't a superhuman "God on Earth," but a human as God intended us to be.

I have done several bible studies and this study has been one of my favorites! One thing that has really impacted me was the way Spader talks about how Jesus was totally human who never used His God Card for His work on earth. This gives me a better understanding of how we ourselves have the power of the Holy Spirit available to us!
