# Eyes Of The Eternal (Realms Of Rebirth Book 1)

## Synopsis

A GOD MAY LIVE FOREVER, BUT DIES A THOUSAND TIMES... Things have never been easy for Quinn; orphaned at 8, bounced around from foster home to foster home, but now in his late teens thanks to his hard work and quick wit, things are finally looking up. So he never imagined he would be responsible for the crimes of breaking and entering, along with the assault of a Police officer. Unable to remember what he did or why Quinn is sent to the Cedar Hills Mental Health Facility, where visions of fae-like creatures and a deadly visitor only he can see, only further convince Quinn that he is exactly where he should be. Yet when Surina Malik, a woman masquerading as his new lawyer approaches him, she reveals that what he believes to be hallucinations are actually the remnants of the old world long forgotten. Surina takes Quinn from the asylum and throws the young man into the hidden realms of Gods, monsters and magical beings. There he must partner with the mysterious Surina and the handsome God of Death Jared, to help to stop the forging of an ancient weapon that could spell doom for them all.

## Customer Reviews

This was an interesting entrance into a realm that has long been populated by the likes of Rick Riordan, *Eyes of the Eternal* was an interesting read with a different twist on the typical demigod character. Although the book occasionally suffers from stagnant character interaction it wasn't enough to make me walk away from the book. The characters are interesting but could stand to be fleshed out more. The world that has been created is a fresh take on the whole mythology thing and I really found myself enjoying it. I am curious as to see what exactly happens when it comes to the relationship between Quinn (the main character) and Jared. Personally, I'm hoping for something romantic but I'm pretty sure that's not the case. It was a pretty good read that is worth the price.

I really loved this book and the development amongst the characters as well as the fantasy and mythology mash up. It was wonderful to read and I really like the backstory between Quinn and Jared really can't wait for the next book!!

I loved it.

Good read. Looking forward to the next installment.

Great read, looking forward to the next installment.

generally I can't get into books with the opposite gender as the protagonist but this I can it's awesome

Great storyline and fascinating world, but something about the characters is a bit stiff. Regardless the book as a whole is develops nicely and I would still recommend.
