# The Bloodiest Day: Battle Of Antietam (Graphic History)

## Synopsis

The battle of Antietam on September 17, 1862 was the first major Civil War engagement on Northern soil, and it remains the bloodiest single-day battle in American history. Of the 90,000 troops that fought, over 23,000 were killed or wounded. Antietam also marked a significant turning point: General Lee's bold invasion of the North was halted, and the Union's success, though not exploited, gave President Lincoln the victory he needed to make his Emancipation Proclamation. The battle arguably sealed the fate of the Confederacy, even if the war still had nearly three years to run. This book accurately brings to life this significant and very costly engagement in highly accessible graphic novel format. It also includes eight pages of authoritative information placing Antietam in its historical context, describing the key players, the build-up to the battle and its aftermath.

## Book Information

Series: Graphic History (Book 2)

Paperback: 48 pages

Publisher: Osprey Publishing (October 24, 2006)

Language: English

ISBN-10: 1846030498

ISBN-13: 978-1846030499

Product Dimensions: 6.8 x 0.2 x 9.8 inches

Shipping Weight: 4 ounces

Average Customer Review: 5.0 out of 5 stars 4 customer reviews

Best Sellers Rank: #2,264,133 in Books (See Top 100 in Books) #99 in [Books > History > Americas > United States > Civil War > Campaigns & Battlefields > Antietam](#) #394 in [Books > Teens > Education & Reference > History > Military](#) #22387 in [Books > History > Military > United States](#)

## Customer Reviews

Larry Hama is best known as a writer and editor for Marvel Comics where he was responsible for creating and writing the G. I. Joe comic book of the 1980s, and developing many of the G.I. Joe characters for Hasbro. His other comic book writing credits include Wolverine, Avengers, Elektra, Venom, and Batman. Larry also created the Bucky O'Hare comic, which was turned into a toy line and an animated TV series. He lives in New York. The author lives in New York, USA.

My nephew gobbled these up! . Even adults like these. Great service, competitive price.

So far I am very happy with the graphic history book. My nephew loves them and he especially loves the posters in the back of the book. Thank you very much.

This book can teach you in an hour what would take all year to absorb from the history books. The book is done in graphic format (comic book) and the information flows very well. Characters are easy to discern, and nice portraiture introduces new generals and battlefield heroes. Each book in this series starts with a four-page overview (including maps), showcases the battle for 36 pages, then concludes with two-page wrap-up, glossary, and index. Well done. "The Bloodiest Day" references poetry (Barbara Frietchie), shows the finding of the confederate troop movements wrapped in with some cigars, show sthe generals' decision-making processes, includes quotes (!), and much more. One of my sons enjoyed the drummer boys being tied to their commanding officer so they wouldn't run away. Great details in the book. Some vocabulary includes: hard-earned, staggering, brigade, division, dismal, murderous, volley, possession...I highly recommend this series of books.

I bought a few of these history comic style books at a homeschool convention before my son could even read. He's always loved history and would just flip through the pages and enjoy the pictures! Now that he is a homeschooled third grader he enjoys these books even more because he is able to read them as a supplement to his history schooling. He just bought a few more from this series with his own allowance.
