I have a shelf full of gluten-free baking books. This one is my favorite because everything turns out just as expected. So many times gluten-free baked goods turn out gummy or gooey. I haven’t had that problem with these recipes.

This cookbook has been a lifesaver for my son who cannot eat gluten, eggs or dairy. Thank You Cara Reed! I have made the Yellow Cake from her website 3 times, and it has been great every time. We made the Banana Buckwheat Muffins for Christmas morning - YUM, they came out perfect. I used almond milk for the non-dairy milk. I made the Trefoil Cookies, which I actually used for cutouts at Christmas, and today I made the Grandma’s Chocolate Chip cookies. I used the exact recipe from the book with 2 sticks of vegan butter (a brand called Melt). They are great! Thin and crispy, so not exactly like the picture, but delicious. The pictures are amazing, I love to just browse through and dream. Although I will likely stick to the simple recipes.

This book proves you can be gluten-free/dairy-free and still eat amazing dessert! Even desserts you thought you would never be able to eat again. The recipes are not complicated nor are the ingredients. The recipes are for foods that are familiar and comfortable. Not a bunch of recipes for things you wouldn’t have eaten before going GF/DF. This sugar addict is totally hooked!

Every recipe works-- every time. Thanks to this cookbook, my family can now enjoy birthday parties again.

Love having lovely recipe options. This is a great book

great, great recipes. She makes all your favorites GF! GF cheez-sts are awesome! Recipes are easy, not fussy, low sugar and no dairy. Just good solid GF baking.

Every recipe has turned out great. I am currently trying bread from website in my bread machine, confident that the recipe is good, now just need to seek if it will adapt to glute cycle on bread machine..wish me luck

Love it. Good recipes and great pictures. Also love all the information you get at the beginning of the book. Very much worth it for baking vegans. Thank you for putting this great book together!
