## Synopsis

As foretold by ancient prophets, an apocalypse destroyed Earth during the twenty-first century. But two thousand years later Elyon set upon the earth a new Adam. This time, however, he gave humanity an advantage. What was once unseen became seen. It was good and it was called...Green. But the evil Teeleh bided his time in a Black Forest. Then, when least expected, a twenty-four year old named Thomas Hunter fell asleep in our world and woke up in that future Black Forest. A gateway was opened for Teeleh to ravage the land. Devastated by the ruin, Thomas Hunter and his Circle swore to fight the dark scourge until their dying death. That was then. Now the Circle has lost all hope. And Samuel, Thomas Hunter's cherished son, has turned his back on his father and is aligning dark forces to wage the final war. Thomas is crushed--but determined to rescue the Circle and his son even if he has to cross two worlds to do so.

Hard to understand

awesome book

Very enjoyable. Read the other books first.

Great book and series by Ted Dekker. I have read every one of his books. Now I am reading the ones he co-authored.

This series is fantastic! Well written, intriguing, love the way he portrays the Book of Revelation in a completely unique way! This one was a gift and the other person loved it too!

Ted Dekker's Circle Series is the best read I have ever enjoyed. IT is now my absolute fav. Green did a great job bringing the story back to the beginning. It's said you can start the series with any of the 4 books. And, though that may be true, I'd strongly suggest starting with the original book 1 BLACK. The writing style is awesome. Ted describes the surrounding and back setting while telling the story, so you don't get bogged down in details between scenes. It's not perfect writing. There are cases where it looks like Ted was close to his deadline and rushed the ending a bit in RED. Now, I love fiction. I prefer both science fiction and fantasy fiction. This series was the best fantasy fiction ever. ...better than The Hunger Games series (which is now my second fav).

I really enjoyed the book.

Favorite author and highly recommend any in this series or any of his others!
