Customer Reviews

This is the guidebook you need if you are looking for those accessible classic Chamonix descents you've been hearing about all your ski-touring life: Pas de Chevre, Vallee Blanche, Cosmique Couloir, etc. There are also a bunch of great descents you've never heard of, accessed from all the valley's major ski areas: Grands Montets, Le Tour, Brevant, Flegere, Aiguille du Midi. The routes are drawn onto black & white photographs, making them very legible & unambiguous. Route descriptions are given in both French & English. This guidebook focuses on off-piste descents made using lifts, with little or no climbing to reach them. If you are looking for more intensive ski-mountaineering requiring long approaches with climbing skins & ice-axes, try *Mont Blanc and the Aiguilles Rouges: A Guide for Skiers* or other books in the Vamos series. All of these guides are inexpensive & readily available at many sporting goods shops in Chamonix.
