Customer Reviews

My review for this book of Flower Girls is a little low because I was quite disappointed that some of the pictures already had the eyes "filled in" in black. I love coloring eyes, otherwise this is a nice

book and I am sure I will have many enjoyable hours with it

This book is beautifully done! It was a little misleading as to the fact there are multiples of all the pages to color. Sometimes 3 of one. I enjoy coloring all of the pages none the less and there are numerous chances for creativity!

I love the pics but I'm very disappointed that half way through its the same pics all over again. Was hoping for them to all be different.

I think this is a fun book but i gave 3 stars because i agree with some of the other reviewers...the faces are basically standard, they almost seem to be the same. No doubt i will still be coloring them!

Love the art work and the paper is great quality the only reason is 4 is the pages are not perforated. Also there is duplicate pictures. Even though are work is great i not order anymore of her books unless pages are perforated. Too hard to remove for coloring

Beautiful flower girls designs, I love this coloring book. I couldn't stop coloring, great fun.

I recommend this book to everyone!!! Beautiful girls with flowers and details on each picture...and you get 2 of each picture!!!! Totally happy!

Love this coloring book. Great pictures and quality paper.
