Customer Reviews

Some has done a great job yet another wonderful story. I always have a hard time putting it down until read from cover to cover. The characters are awesome, Heavenly Haven is a truly hidden gem. Love the plots and twists too! Can't wait for the next one!!!

Very much enjoyed this book, wondering what Ava's next adventure will be and when the next wedding will happen.

Love this book fun and exciting to read. Charictors have become family's favorite books

Another awesome installment! Keep them coming!!

While this book was not quite as exciting as the last installments....it was a good read. There was not quite as much excitement going on in Sweetland Cove and Mistmoor Point as usual, this time only one storyline took center stage.....the election of a new mayor. Sound easy? Not on this island! Someone is looking to merge the two communities under an old rule.....and have only one Mayor for both areas. Not something the communities of Sweetland Cove and Mistmoor Point want to see happen. There is lots of excitement, assassins, a few dirty tricks and a death or two will keep your attention. There is a new baker in Sweetland Cove and her ties to the community are surprising, but we didn't learn nearly as much about her as we might have.....perhaps in the next installment. There are a few twists and turns, but this installment is not nearly as 'busy' as the others. Keep reading and keep your eye on the bumbling deputy Otis Winken and Tadpole, his unusual familiar.....there are a few surprises and heartwarming moments there. All in all....it is a wonder book and lots of interesting moments for Heavenly Haven and most certainly, well worth your time! Can't wait for the next installment!!!

Batter and Spells, the newest Sweetland Witch Series by Zoe Arden, is the best yet. She has established the characters and the setting and no longer needs to rely as strongly on witchcraft and so is able to delve more deeply onto a compelling story. After the death (murder) of Mistmoor Point's Mayor Singer, there obviously has to be an election. His widow, Tazzie, among others is

running for the position. Mayor Thomas of Sweetland seems to think he should be the mayor of entire island. He is alone in that opinion. Suddenly, being a mayoral candidate seems deleterious to one's health, not to mention, life. Moreover, it seems that someone is willing to pay, evidenced by the discovery of a hit list with dollar amounts listed beside each name. Tazzie loses the election to her opponent, Thaddeus Black, who turns up dead at his victory celebration. The last person to see him had been...Tazzie Singer. Everyone gets involved: Colt Hudson, Sheriff Zane Knoxx, Sheriff Lincoln Maxwell, Ava Fortune, Deputy Otis and his sidekick, Tadpole (a skunk), Ava Fortune. Things start getting really odd when Otis reports to Sheriff Knoxx that a dead body has been found. When this sheriff asks to whom it belongs, Otis replies, "You." Things escalate from there. Colt is doubly stressed dealing with, not only the murders but also the fact his father is about to be sentenced for his part in the vampire problems from the previous book. Weddings are called off, elections are held, with surprising results, Ava's father has a girlfriend, a new bakery opens in Sweetland, and on and on...a delight not to be missed. Read this series. It is fun. Plus you need to read it all to get to this book, which is stunning in the author's growth and depth. It is not to be missed. Zoe Arden is coming of age. I received a copy of this book at no charge in exchange for a fair and honest review.

Assassins in disguises of town person are roaming around the island of Heavenly Haven. What is happening?? Why are they going after the mayoral candidates....jumping some....killing others?? Then a hit list of candidates with the price on each one's head is found. Trouble is brewing on the island. This island is divided into two sections: Mistmoor Point and Sweetland Cove. The mythology of the island comes from a 1200 year old love legend that produces the two factions of the island due to broken marriage and hearts with sides being taken. The bakery's three fur babies: Snowy the cat (Ava's familiar), Tootsie the cat (Trixie's familiar) and Rocky the wolfhound (Eleanor's familiar) along with deputy's pet skunk Tadpole make this story fun. There is a new bakery in town...Will it close down Ava's Aunt's bakery? Who is this new baker? Does she really bake her own products? Creative plot with creative, vivid, interesting, intriguing and some scary characters. The suspense, danger, mystery combined together for an enjoyable read. Will Ava and her cohorts be able to solve these puzzling happenings? Will Eleanor and the sheriff finally tie the knot? This is some humor and some romance added. This book is part of the Sweetland Witch cozy series. It can be read as a stand alone. I volunteered to read this Advanced Readers Copy. Thanks to the author for the opportunity. My opinion is my own.

Mistmoor Point's mayor election was postponed. Now it is almost time for it to actually happen, and the candidates are getting attacked. At the site of the first attack, they find a list....with candidates name and a dollar amount for each one. A hit list!!!! Who would do such a thing? Tensions rise in Mistmoor Point and Sweetland Cove, the two little towns on the tiny little island. Then a body is found.....it looks like Sheriff Knoxx!!! That is when they discover an assassin. Then things go from bad to worse between the two towns. Can Ava, Colt and Sheriff Knoxx - the real one figure out what is going on? Read the book to find out.
