## Customer Reviews

Others hit like a brick through a glass window, shattering old systems and myths." -- Turning Point Magazine "The Church must take a leadership role in racial reconciliation by dealing first with its own racism. Great History

Excellent

Great Book, very insightful

As described and quick service.

Dr. Price addressed this much neglected subject in a masterful way. The church in America really needs to embrace this teaching. God shows no partiality, so why do we?

This is a very informative book. It has some very truthful history in it and is backed up by scriptures. We already know that racism is not from God, but from the enemy.
