WOW what an end! I want more of that crazy world...Loved all the characters...Fen, Ari...Dean..(with no shirt) Ace...well I wasn't crazy about Levi...but this story/series is amazing. I loved the storyline.

The authors knew what they were doing and did it very well. I must say though you have to read these books in order to have them make sense..but do read them. You won't regret taking this journey with the Fae and Vampires...it's a amazing ride. I want more! I want to know how Dean is doing...what happened to Ace...Kayla ...Es and Pete...oh..

Ok so I will start off by saying when I found out that the Moonlight Prince was going to be the last one, I was definitely upset! But I am extremely happy with the end result! There were several scenes that I did find unexpected so like the first three books, Moonlight Prince definitely kept me on my toes! I absolutely loved it and hope it becomes a series or even a movie! Definitely sad that it's over but it has to be a must read for everyone!!!

Moonlight Prince is the final book in this amazing series. I am sad that the series is finished but it's another series that I have loved from Karpov Kinrade. I will continue to read their books and hope that there are many more stories to love. Ari has yet to fulfill her contract and save her mother. She will do whatever she needs to do to save everyone she loves and cares about. The danger is still all around her and it seems to have become more intense. She has some tough decisions to make, who to save, what to do. There is a lot that happens in this final installment. There is an epic battle, more romance, dark moments, lots of action and suspense. It's also full of twists, turns, many surprises and revelations that I didn't see coming. I wish there were more books because I loved the characters and the story itself. The ending was crazy amazing. I have really enjoyed reading all the books in this series and am very happy with how it ended. If you haven't started this series I highly recommend you start! I would suggest you read the first three books so you know what is going on and can enjoy the entire series. You will not be disappointed, it is awesome!

I have greatly enjoyed the Vampire Girl Series, and I am sad there aren't more books. I am not interested in the spin-off books written by other writers....I want Karpov and Kinrade! There is so much more you can say about Ari and Fen and their world.....their baby, for one thing! Yes, you mention it....But lots more could be described and written. The Story doesn't end there, does it? Please, at least a book or two?

Again you guys did not disappoint. I loved watching how Ari grew and how they all in the end find themselves. I did not see the twist about Fen real identity coming but that ment you guys work a beautiful story. I will start your other book now

LOVE this series! I sure hope there will be more. It's fantasy/romance/mystery all rolled into one fantastic story. The authors never fail to take you on a roller coaster ride. It twists and turns keep you turning the pages furiously. Must read!

It broke my heart hearing this would be the last book in the Vampire Girl series. I've read of few of the Karpov Kinrade books, but this series by far had my heart pounding the most. Arianna was a very likable character throughout everything that happened to her. I honestly loved all of the characters we met in this series, but I think I loved Fenris best. This series will make you laugh, cry and swoon, keeping you at the edge of your seat at every turn. I highly recommend it to anyone and look forward to more from this couple. It was beautiful and heartbreaking all at once and I wished it could go on forever. "Dum Spiro Spero"

Absolutely the best book in this series!!! I'm so sad to see it end... When finishing the last page, I just couldn't bring myself to believe this is the absolute end... This book did an amazing job at keeping you hooked, I literally found myself reading every chance I could get. To the authors, please continue the story of these characters with their life after defeating darkness!!!
