Abandoned Churches Of Ireland

Synopsis

This latest book by Tarquin Blake documents over eighty abandoned churches of Ireland, preserving a record of fragile religious ruins. Their history, dating back to early Christianity in Ireland, paints a stark portrait of a Protestant aristocracy and a Catholic majority. As Protestant congregations declined in the nineteenth and twentieth centuries, an attempt was made to keep churches open by uniting parishes. Eventually non-existent congregations forced closure of many churches. Valuables were removed, churches deconsecrated and abandoned. Blake's haunting images tell another fascinating story of troubled times. Color illustrations throughout.

Customer Reviews

Tarquin Blake, architectural explorer, photographer and historian, is author of *Abandoned Mansions of Ireland*, *Ancient Ireland* and *Haunted Ireland* and of the website www.AbandonedIreland.com. He has extensively explored the architectural relics of Ireland and his passion is unravelling and documenting the mysteries of lost heritage. He lives in County Cork.

Lots more than just interesting pictures. Author has provided much information about each location. Very interesting.

I have other books by Tarquin Blake and these two new ones did not disappoint at all. He is able to take me inside places that I would never have the opportunity to explore--but would love to! I look

forward to more books from this author.

Wonderful book. Will have to check some of these old churches out next time I get to Ireland.
