Downtown Chicago like you ve never seen it before in print! Clear, concise & accurate; a pleasure to use! --DP, GP Maps

Great Pacific Maps Principal David Peckarsky has been researching and publishing maps since 1978. A native of Milwaukee, WI, Peckarsky earned a BS in Architecture & Urban Planning at the U of Wisconsin Milwaukee (UWM) in 1974 and a Masters in Environmental Studies degree from York University in Toronto, Ontario, Canada in 1977. Based in the Seattle area since 1978, Great Pacific Maps reflect the imagination, hard work and dedication of collaborating with two close friends over a 30+ year period: Wayne Hom of Seattle and Bob Lindquist of Bellingham, WA. Sadly, both have passed on; may their memories always be for a blessing. Today, Great Pacific cartography is most ably done by Sharon Iwai of San Francisco and Robert Kemp of Joseph, OR. Cover designs and some cartography are done by Dennis McClendon of Chicago CartoGraphics (in Chicago, of course!). Your business and your feedback is always appreciated! E-mail us if you find

Okay map, shows major streets and highways. But it doesn't do as well identifying specific attractions. You may do just as well waiting til you arrive and tear a map out of one out of the many visitor guides.

There is plenty of detail with this map. It has an overview of the entire city, and close-ups of the downtown area. I like that individual businesses and places of interest are listed.

I wanted a map of Downtown Chicago, and not the entire city, and this is exactly what it is. Perfect for tracking my ancestors locations as they moved about downtown in the early 1900s.

Fabulous map. Had everything on it down to local grocery stores. Highly recommend this for anyone traveling to Chicago!

Had wanted one with drawing to tourist locations.

Concise and very readable. A good aide for a first visit to Chicago. Easy to use and covered all the basics.
