The End Of Reason: A Response To The New Atheists

Synopsis

When you pray, are you talking to a God who exists? Or is God nothing more than your 'imaginary friend,' like a playmate contrived by a lonely and imaginative child? When author Sam Harris attacked Christianity in *Letter to a Christian Nation*, reviewers called the book 'marvelous' and a generation of readers—hundreds of thousands of them—were drawn to his message. Deeply troubled, Dr. Ravi Zacharias knew that he had to respond. In *The End of Reason*, Zacharias underscores the dependability of the Bible along with his belief in the power and goodness of God. He confidently refutes Harris's claims that God is nothing more than a figment of one's imagination and that Christians regularly practice intolerance and hatred around the globe. If you found Sam Harris's *Letter to a Christian Nation* compelling, the book you are holding is exactly what you need. Dr. Zacharias exposes 'the utter bankruptcy of this worldview.' And if you haven't read Harris's book, Ravi's response remains a powerful, passionate, irrefutably sound set of arguments for Christian thought. The clarity and hope in these pages reach out to readers who know and follow God as well as to those who reject God.

Ravi Zacharias is President and Founder of Ravi Zacharias International Ministries (RZIM). Their global outreach grew from humble roots in 1984 and includes fielding a team of itinerant speakers who operate from offices located around the world including the U.S., the UK, Romania, the Middle East, India, Singapore, Hong Kong, and Canada. The Hallmark of Ravi's heart is his strong evangelistic and apologetic that manifests itself from a position of compassion.

Reading it right now. Everything of Ravi Zacharias is excellent. So far, this book is excellent, too. He really gives one pause to reflect. Its contents is very deep, but easy to understand. Yes, I highly recommend this book for Christians and atheists alike. Agnostics will benefit from Ravi's work, too.

Excellent book to answer the common points placed forward by today's atheists. Zacharias is clearly intelligent and has studied these issues in depth. I highly recommend this book.

Wow, Ravi is a genius. Good to have resources conteraction the lie and hopelessness of atheism

Well written. The author is a subject matter expert.

helpful for those who are seeking truth

Ravi Zacharias is the premier Christian apologist of our time.
