Some Kind Of Courage

Synopsis

Joseph Johnson has lost just about everyone he's ever loved. He lost his pa in an accident. He lost his ma and his little sister to sickness. And now, he's lost his pony--fast, fierce, beautiful Sarah, taken away by a man who had no right to take her. Joseph can sure enough get her back, though. The odds are stacked against him, but he isn't about to give up. He will face down deadly animals, dangerous men, and the fury of nature itself on his quest to be reunited with the only family he has left. Because Joseph Johnson may have lost just about everything. But he hasn't lost hope. And he hasn't lost the fire in his belly that says he's getting his Sarah back--no matter what. The critically acclaimed author of *The Honest Truth* returns with a poignant, hopeful, and action-packed story about hearts that won't be tamed... and spirits that refuse to be broken.

Gr 7 Up "Joseph Johnson prepares to leave the abusive man who took him in when his pa died, taking money that was owed him, his pa's gun, and little else, then sets out on foot for the larger city of Wenatchee, WA. Though Joseph's parents died too soon owing to frontier hardships, their teachings about kindness and fair play guide him as he hurries to reclaim his sweet Sarah, the pony that is one of his only ties to his family. Joseph befriends a Chinese boy, despite widespread prejudice against Chinese immigrants working on the railroads, and together they tackle the challenges of navigating the 1890s Washington State wilderness, including bears, lost Wenatchi

children, and raging rivers. Narrator Andrew Eiden's voice makes the dialect on the written page ("gonna," "gotta," "yammering," "ain't") flow smoothly to the ear. Joseph moves from one hair-raising adventure to the next, and (luckily for him) his kind and honest decisions consistently pay off. Everything resolves neatly in the end, and many readers will feel that Joseph earned every scrap of happiness that comes his way. VERDICT A straightforward choice for schools looking to add historical fiction with a rural, rustic, and Western feel. Very good book and the delivery was really rush

I thank my eleven year old son Eli for turning me on to this book. Eli has dyslexia and has always been a reluctant reader. But when he came home from school, and could not put this book down instead of jumping on his pc to play minecraft, i had to check out this book. I can't explain how joyous it was to see my son hooked on a book. Then i read it and could not put it down myself. Great read for any age!

Awesome story. Dan makes sure that there is a touching story in all his books. I bought the book for my daughter but I ended up reading it. It is a honor to have such a gifted author in our school system. Someone all the kids look up too. Thanks Dan for making great story's for all ages.
