Who Was Abigail Adams?

Synopsis

Abigail Adams was a strong woman far ahead of her time. She urged her husband, President John Adams, to "remember the ladies" and despite having no formal education herself, she later advocated for equal education in public schools for both boys and girls. She was also the first First Lady to live in the White House! This biography tells the story of Abigail Adams and her role in America's Revolutionary War period.

Grade Level: 3 - 7

Customer Reviews

True Kelley is the author-illustrator of *Who Was Pablo Picasso?* and the author of *Who Was Roald Dahl?*

Who Was Abigail Adams? On June 17, 1775, at 3:00 a.m., Abigail Adams woke up with a start. Her bed was shaking. The dull boom of cannons ten miles away in Boston shook the whole house. The British and the American colonists were at war. Abigail had almost gotten used to hearing the boom from cannons every day as the armies fought. But this time was different. The cannon fire went on and on and on.

My 8 year old daughter is doing a report on Abigail Adams for school and this book was perfect. It gave a comprehensive overview of her life at a level she could read and understand. I highly recommend this series.

Love this book series! We have tons of these and my 8 and 9 year old love reading them to learn about who people are!

I Used this book for my 2nd grade classroom project and they loved the books in this series! Great book!

It was a good book. It was very interesting and informative. I think people should read this book it was nice.

Very happy with book

Love these books! Children and adults enjoy them!

This was the best book ever from lily 7yars old I loved it so much and I have a the who was book great gift
