RACHEL BUCHHOLZ is the executive editor of National Geographic Kids and National Geographic Little Kids magazines in Washington, D.C. In her more than 15 years of editing, she has found some of the world's most amazing stories about animals. She is the author of the Children's Choice-nominated book *How to Survive Anything: Shark Attack, Lightning, Embarrassing Parents, Pop Quizzes, and Other Perilous Situations* and a former editor at *Boys' Life* magazine in Dallas.

I bought this for a friend with a young daughter and my mom. My mom hasn't received hers yet but my friend and her daughter fell in love the quotes and photography are simply amazing and heartfelt. While I will never be a mother myself I know every mother should at least glance through this wonderful book!

This is one of a series of animal emotion photo books--I love them all and use them as inspiration for my animal emotion art. We deny the sentience and emotional behavior of animals out of ignorance and arrogance--but the truth is there for all to see!

I absolutely love this wonderful, sweet, and informative little volume. It's a real treasure, and I would buy it again in a heartbeat.

Again bought as a Mother's day gift! Sure she will be thrilled to receive this!

sniff sniff, lovely stories, sort of makes a mum "misty" Will consider as gift for some other mums I know.

Loved the book! Many stories tugged at my heart! I reread this book over and over. I never get tired of reading about the depth of love from Mother to Mother! Highly recommend!

Beautiful and touching book. Mom loved it!

Love these books!
