Frommer's EasyGuide To Rome, Florence And Venice 2015 (Easy Guides)

Synopsis

A strong best-seller in its 2014 edition, this is a thoroughly revised and up-to-date guide to one of travel's most popular places. Its authors have won awards for their earlier treatment of Tuscany (in a smaller volume) and here devote their talents to the three broader areas that most visitors choose to visit. But in the Easy Guide tradition, they don't attempt to note hundreds of hotels, restaurants, museums and shops, but a smaller, more manageable number that they prefer. The reader benefits.

Book Information

Customer Reviews

Eleonora Baldwin has written, edited and contributed to numerous travel and lifestyle publications, and her writing appears regularly in several online food columns. She is a lifestyle writer, journalist, blogger and Italian culinary/travel show host, and also gives personal culinary tours of Rome and city outskirts, for small groups. She lives in Rome, Italy. Stephen Keeling has been traveling to Italy since 1985 (when a serving of gelato was 1000 lire), and covering his favorite nation for Frommer's since 2007. He has written for The Independent, Daily Telegraph, various travel magazines, and numerous travel guides as well as authored the award-winning Frommer's Family Travel Guide to Tuscany and Umbria. Stephen resides in New York City. Donald Strachan is a writer and journalist who has written about Italy for publications worldwide, including National Geographic Traveler, The Guardian, Sunday Telegraph, and The Independent. He resides in London, England.

Was looking for a book that was lighter to carry and wasn't overwhelming since we were only seeing

these 3 cities over a week's time. I think this is perfect. Will be no problem to pack and still feel like it has enough information for our week long trip to Italy.

I wasn't crazy about this guide and ended up buying the Rick Steves Italy anyway. I think Rick Steves Italy is a much better book than this one.

Great

Enjoyed the book. Maps are not very detailed, so be prepared to find another resource, but for Rome and Florence, you can get the jest if you are fairly good with directions. I would definitely recommend though.

Helpful. A little too detailed for the basic traveler as we were. The map in the back is worthless. Buy a more detailed map.

Book is great. Easy to follow. Easy to search. This book meets my needs. NOW... to whom can I complain about the packaging? It was just a paper back book, packaged like it was inside Ft. Knox. Shrink wrapped, then a heavy cardboard container. Somehow, I know I am paying for that, too.

Very helpful guide, we only ended up going to Rome but this helped us considerably when figuring out what sites to see in Rome and Vatican City, and the maps proved quite useful.

A handy book for traveling, would have been even better if we hadn't left it in a taxi, but that's not fault of the book. Perhaps we should have taken 2?
