Pittsburgh: A Renaissance City

Synopsis

Discover Pittsburgh today through 163 stunning photographs showcasing its sports venues, museums, businesses, universities, and cultural landmarks, all of which prompted The Economist magazine to name Pittsburgh “the most livable city in the United States.” Once regarded as part of the industrial rust belt whose glory belonged to another century, Pittsburgh today is renowned for its economic emphasis on education, research, health care, professional services, and advanced technology industries. The area is also a thriving cultural mecca. See popular landmarks, such as Heinz Hall Plaza, Allegheny County Courthouse, and Carnegie Mellon University, and visit Point State Park, Fort Pitt Museum, the original Primanti Bros. restaurant, and much more. Complete with detailed captions, this book celebrates Pittsburgh’s heritage, beauty, and diversity and is a must-have for tourists, history buffs, architects, and anyone who wants to see why it is a city for the twenty-first century.

Customer Reviews

Michael P. Gadowski, a Pennsylvania native, is an internationally published photographer with a former career as a state park ranger. He has spent a lifetime traveling throughout Pennsylvania documenting its rural and urban landscapes.

Nice give away about Pittsburgh. Modern stile. We liked it.
