Rick Steves' Snapshot Bruges & Brussels

Synopsis

In this 135-page compact guide, Rick Steves and Gene Openshaw team up to cover the best of Bruges and Brussels, including tips on arrival, orientation, and transportation. Visit the Groeninge Museum or tour the De Halve Maan Brewery in Bruges, then head to Brussels for the Grand Place and the Royal Museums of Fine Arts of Belgium. You'll get firsthand advice on the best sights, eating, sleeping, and nightlife, and the maps and self-guided tours will ensure you make the most of your experience. More than just reviews and directions, a Rick Steves Snapshot guide is a tour guide in your pocket.

Customer Reviews

There aren't too many travel books out there dedicated to Bruges, which is usually mentioned in passing in a larger book on the Benelux. If you are going to Bruges and spending any amount of time there, you want to have this book. Restaurant recommendations were great and off the beaten path. Be sure to check out the ruins in the basement of the Crown Plaza hotel. Thank you Rick!

I purchased this book prior to a 4 night trip to Brugge. Rick was right-on with many of his recommendations: for bars: De Garre and t'Brugs Beertje; for chocolate: Dumon; for restaurants: Bistro in den Wittenkop. I think he may have missed the mark in not recommending Hotel Aragon, for the location, service, nice rooms, price. But otherwise, this book is a must for any first-time visitor to Brugge.

This is typical Rick Steves guide book quality. It is focused only on those two cities so you don't get the context you usually get with a full country or region book, but for visiting just those two places it is fine and lighter than an entire book.

Excellent travel guide for both cities, Steves does an amazing job as usual.

great book

Great book. Gives an overview of the two cities and that is what I need for a 4 day trip. The book was shipped in 2 days and that was also a plus.

I have several of these books and they are so handy on a trip or when planning a trip. They are small enough to carry in purse!

I was excited to find this book for a trip going to only Bruges and Brussels, but unfortunately it was a waste of money. One of the most important things for any travel guide are maps, and neither my husband nor I (both experienced travelers) could make head or tail of the maps in this book. The historical type info was fine, but the info you really need - hotels, restaurants, etc - was very limited. After our first day, we stopped bothering with the guide, and it went in the trash.
