Dog Love – An Unbreakable Bond: Inspirational Stories Of Devotion, Loyalty And Courage

Synopsis

The bond between humans and dogs is more intense than our bond with any other species—there’s not even a close second. Dogs are more than just a pet; they are trusted companions. They help us hunt, guard our homes, look after our livestock and even our children and, over time, do so many useful and wonderful things that it boggles the mind. This compilation of heart-warming dog stories illustrates the pure love of these amazing creatures, including extraordinary instances and first-hand accounts of bravery, friendship, loyalty, devotion and companionship down to their very last breath. There’s a reason we call them man’s best friend. No matter the situation, your dog is happy to see you. You are greeted with the same enthusiasm each and every time you walk in that door. A dog has the ability to live in the present moment. They don’t regret the past or worry about the future. While we often ask so much of them, they require almost nothing in return. You can ask your dog to chase a Frisbee, take a nap on the couch, herd some sheep, or run around a show ring and he’ll do it, happily, for hours on end. He only wants to be fed, and told he’s good, and most of all loved. If a dog has love, he really needs nothing else. In the presence of a dog, somehow, nothing else matters. A dog is handing out pure love, sparing no expense, and asking absolutely nothing in return. Perhaps American Humorist Josh Billings said it best: “A dog is the only thing on earth that loves you more than he loves himself.”

Customer Reviews

After reading stories of devotion and courage inÃ Â DOGS: A Kid's Book of DOG BREEDSÃ Â (a great book, I highly recommend it), our family wanted more stories and found this wonderful book, "Dog Love - An Unbreakable Bond." I was truly moved by the loving devotion, loyalty and courage of "man's best friend." They give us unconditional love; what a wonderful gift they are to Humankind. I agree with those who pointed out the numerous mis-spellings throughout the book, and I hope they correct those in future editions, but those only lent a folksy aspect that did not detract from the overall message.

The stories in this book are great, I was sorry when this book was over. I wanted to keep reading more. Dogs are just the best, a loyal friend, a protector, a constant companion, a loving shadow. I lost my little Miss Abby five years ago. It broke my heart. Some things in this book reminded me of the words I wrote in my own writing in trying to come to grips with my intense grief after she died. Every story in here is about an amazing dog. They are indeed man's best friend.

An excellent read and truly exciting story about dogs and those they Love and will do anything for. We have and have had several who have given us multiple examples of the unconditional Love which is one of the primary traits of these wonderful friends.

I am a pet sitter and dog walker. I am always hungry for more information and stories about both dogs and cats. I read this informative book in one evening. I liked the fact that these are all true stories.

Such an inspiring book of dog experiencing. My husband and me have a lot of great stories happy and sad but every dog has had their own lovable companions to us. We will always have at least one forever.

Love the short stories of exceptional dogs and their adventures. So many brave beautiful animals. As a rescuer and lover of dogs, I read all the stories at one time.

Well written stories about man's best friend's ability to defend, protect, save and love those who love them. Heartwarming and reminding of how unique and special the bonds are between us. If you have ever loved a dog this book is certainly for you, or any dog-lover you know.

What both heartwarming and sad stories that just draw you into the stories of all the dogs loves in this book.
