Outstanding book a must have for this game. Great price started at one price by the time it shipped had dropped the price from what i preordered it at . Thanks love the book and price. 5 Stars

Great guide! High quality. The in book atlas of Vvardenfell is very helpful, it shows all the locations

including treasure chests.

A very cool item for your desk, and the ingame crab is a nice addition. The guide itself is mostly base ESO stuff which can be helpful, but I wish it were more Morrowind-centric. None of this information can't be found online, but it's nice if you prefer a physical book like me.

Extremely Helpful Guide, Beautiful illustrations and well written text

I liked the book, text is very small. It has been a help in tough areas of the game.

Great purchase ,very happy, jusy as descrided A++

This book is packed full of information that can be very helpful in accomplishing the various tasks in Morrowind. Wish there was an index though as it would have been of some use.

This book is of high quality and the professional look of the information presented is great. It is not a walkthrough guideline. Mostly it provides you with a lot of info that will help on your journey.
