# One Minute Plays: A Practical Guide To Tiny Theatre

## Synopsis

Can you really write a play that lasts a minute? The one minute play offers a unique challenge to actors, directors and writers: how do you create a whole world, where actors have room to perform and where audiences have a true experience all in 60 seconds? *One Minute Plays: A Practical Guide to Tiny Theatre* demystifies the super-short-form play, demonstrating that this rich, accessible format offers great energy and variety not only to audiences but to everyone involved in its creation and performance. This handbook includes: An anthology of 200 one-minute plays selected from the annual *Gone in 60 Seconds* festival. A toolbox of exercises, methodologies and techniques for educators, practitioners and workshop leaders at all levels. Tips and advice on the demands of storytelling, inclusivity and creative challenges. Detailed practical information about creating your own minute festival, including play selection, running order, staging and marketing. Drawing on a wealth of experience, Steve Ansell and Rose Burnett Bonczek present an invaluable guide for anyone intrigued by the art of creating, producing and performing a one minute play.

Making: A Practical Guide with David Storck.

Very informative and easy to apply their ideas from the book into a classroom. The plays are divided up into easy access headings. The brevity of the plays make them useful for classwork or auditions or a full evening of thought provoking theater.

As a teacher and performer... this is such a great resource for me! Short plays are a great quick way to tell a story in a clear and punchy way. There is so much in this book to use!! love it!

An excellent resource for a growing theatre trend.

Such a great read! Highly recommend.

Type is unreadable, smaller than any phone book. And, for a paperback, the price is much too high. What a rip-off!
