# Hints Of Heaven

## Synopsis

Christ knew that the splendor of heaven is too great for us to bear just now, and so he used parables as clues to the mystery of paradise. In them are hints of heaven, and they offer profound spiritual advice meant to guide us on the road to eternal glory. In our age, Christ's Parables are often reduced to exercises in moralism. In these pages, Fr. George Rutler acclaimed author and EWTN television host unveils these deceptively simple stories, showing you their hidden meanings and how they apply to our own age and way of life. Let Fr. Rutler take you on an enriching tour of Scripture's 24 parables as you learn: Tares in the Field of the Lord: Why it's necessary that scandals beset the Church and how it brings about a stronger harvest. The Mustard Seed: Why it gave hope to the early Church and prefigures her glorious future. The Yeast: How God speaks in a gentle and inward voice which melts the soul, and how you could be drowning Him out. The Hidden Treasure: Are you responding properly to the unique gifts Christ has given you? The Net: Many will be sifted out. How to be sure you're among the souls He keeps. The Unmerciful Servant: Not only must you forgive, you must convert the offender. Are you a channel for God's grace? Laborers in the Vineyard: Are you letting selfishness and pride get in the way of the salvation of your neighbor's soul? The Two Sons: The dangers of agnosticism. Are you guilty? You may be astonished at the answer. The Marriage of the King's Son: Why frequent reception of the sacraments is necessary for dwelling at the wedding feast. The Ten Virgins: There's a difference between watching and being prepared for Christ's return. Are you ready? The Ten Talents: God has given you a special gift. Do you know what it is, and how you should use it? The Two Debtors: How to know if you are going through the motions without Christ's love. The Good Samaritan: Do you know the most overlooked element of this parable? It may surprise you. The Rich Fool: Our capacity for self-deception is limitless. Learn the only way to be truly know yourself. The Barren Fig Tree: Time is running out, and we have one last chance to cultivate virtue. Will you bear fruit in time? The Great Supper: There's room for all in the heavenly banquet, but not all will find room. Are you making excuses that lead you into isolation? Fr. Rutler is a gifted writer and preacher. His explanation of the Gospel brings meaning to everyday experiences. He enables all people to live what was taught by Christ. His book is informative and causes the reader to reflect continually upon the parables. Larry Casey

This is really good stuff! It's not something you can read while dozing off. Bring your 'A' game to this book and give it all your attention while reading it. Fr. Rutler...thank you.

I liked this little book a lot. Fr. Rutler gives many unexpected insights and some new information about Jesus' favorite way of teaching, his parables. Since these stories have all entered the "common treasury" of Western wisdom, we can easily miss important aspects of them; familiarity can breed insouciance as readily as it can contempt. That said, I have one suggestion for improving Fr. Rutler's book. I would have him refrain from any commentary on modern politics or liturgical conflict. Although I suspect I agree totally with his complaints concerning modern practices in both realms, it's jarring to find Christ's teachings about fundamental human behavior juxtaposed with criticism of today's liturgical silliness. Perhaps some examples from history -- they abound! -- would be more effective, come across as less partisan.

I love every article/book written by Fr. Rutler!

I loved this book. I could not stop reading it. I have gone to many Bible studies, but these explanations of the parables was inspiring to me. I will read it again.

This is a wonderful new approach from Fr. Rutler. Unlike his unmatched, historical, ability to widen and lengthen the view, here Rutler reverses position, dives deep, and shows us the immense intelligence of Christ behind each Parable. He is reminding us that Christ is humbly and lovingly always more than he appears to be.

## Great Product

A book well worth your time if you are on a voyage of discovery. This voyage will lead one to a discovery of self, and through true self, a recovery of our duty to God. As always Father Titled has illuminated the way and calls us to flow.
